

The image displays 23 numbered geometric shapes on a grid, each composed of triangles in four colors: yellow, green, purple, and pink. The shapes are:

- 1: A horizontal rectangle with a yellow triangle on the left and a purple triangle on the right.
- 2: A horizontal rectangle with yellow triangles on the left and right, and a purple triangle in the middle.
- 3: A horizontal rectangle with yellow triangles on the left and right, and a purple triangle in the middle.
- 4: An L-shaped figure with yellow triangles on the top horizontal edge and a purple triangle on the vertical edge.
- 5: A shape with a yellow triangle on the left, a purple triangle on the right, and a pink triangle at the bottom.
- 6: A shape with yellow triangles on the left and right, and a purple triangle in the middle.
- 7: A shape with a purple triangle on the left, a yellow triangle on the right, and a pink triangle at the bottom.
- 8: A square with yellow triangles on the left and right, and a purple triangle at the bottom.
- 9: A shape with a purple triangle on the left, a yellow triangle on the right, and a pink triangle at the bottom.
- 10: A diamond shape with yellow triangles on the left and right, and a purple triangle at the bottom.
- 11: A diamond shape with yellow triangles on the left and right, and a purple triangle at the bottom.
- 12: A diamond shape with yellow triangles on the left and right, and a purple triangle at the bottom.
- 13: A shape with purple triangles on the left and right, and a yellow triangle at the bottom.
- 14: A shape with yellow triangles on the left and right, and a purple triangle at the bottom.
- 15: A shape with purple triangles on the left and right, and a yellow triangle at the bottom.
- 16: A shape with yellow triangles on the left and right, and a purple triangle at the bottom.
- 17: A shape with yellow triangles on the left and right, and a purple triangle at the bottom.
- 18: A shape with purple triangles on the left and right, and a yellow triangle at the bottom.
- 19: A shape with yellow triangles on the left and right, and a purple triangle in the middle.
- 20: A shape with yellow triangles on the left and right, and a purple triangle in the middle.
- 21: A shape with yellow triangles on the left and right, and a purple triangle in the middle.
- 22: A shape with purple triangles on the left and right, and a yellow triangle at the bottom.
- 23: A diamond shape with yellow triangles on the left and right, and a purple triangle at the bottom.
